MEMORANDUM FOR: Office of Personnel

SUBJECT : Retirement Disability Under the Veterans' Preference Act

1. We have noticed several recent decisions by the District Court for the District of Columbia and the Court of Appeals for the District of Columbia which hold that the Veterans' Preference Act does not apply with respect to retirement for disability. The decisions are quite brief. We are advised by the United States Attorney's Office that that office does not consider the law on the point as settled. Other cases, which could produce a more definitive rule, are pending.

2. We shall keep you advised of future decisions.
